**MEMORANDUM FOR: Critical Intelligence Problems Committee**

**FROM: Eloise R. Page**  
**Chairman**

**SUBJECT: Counterterrorism Initiatives Rankings (S)**

Attached is a preliminary tally of the counterterrorism initiatives rankings which your representatives submitted to the Committee staff. A number of initiatives were added or withdrawn at the last minute so the actual vote totals will not balance arithmetically in every case. Nevertheless, the tally does provide a good indication of areas of agreement and disagreement. It should serve as a useful starting point for our Monday meeting on this subject. (S)

MEMORANDUM FOR: Critical Intelligence Problems Committee

FROM: Eloise R. Page  
Chairman

SUBJECT: Ranking of Counterterrorism Initiatives (S)

1. Attached are the various counterterrorism initiatives which I referenced in my 3 July memorandum to you on this subject. They have been submitted by Community resource managers in response to NSDD-138 "Combatting Terrorism," as initiatives which would be undertaken if unprogrammed resources became available. Our job is to interleave these individual lists into a single Intelligence Community ranking. (S)

2. Resource managers have submitted a total of 59 separate packages. They are arranged here in the priority submitted by the sponsoring organization, with one exception: CIA initiatives are first divided into operations and technical matters and then listed by priority. All initiatives are as submitted, so formats vary. Each package has been labeled with an identification number, its respective resource manager's ranking and a person to call for additional information. (S)

3. The CIPC staff will host an information exchange session on these initiatives from 1000-1200 Thursday 12 July here at the [redacted] [redacted] Representatives of each of the sponsoring agencies will be on hand to answer questions about their submissions. If any of your staff plan to attend, please forward their clearances in advance, using [redacted] of the CIPC staff as point-of-contact. (S)

4. Please assess each of the initiatives in terms of its cost, feasibility and potential benefit to the Community's counterterrorism mission. Based on that assessment, rank each initiative in the upper, middle or lower third of the total list of 59 initiatives. (Members need not be bound by the sponsor's priorities.) By COB Thursday, 12 July, phone or LDX your rankings to [redacted]. The CIPC staff will compile the individual rankings based on an arithmetic total of each initiative's ranking (upper third = 1, middle third = 2, lower third = 3) and provide each of you a tally by COB Friday, 13 July, . This will serve as the basis for our 16 July meeting, at which we will seek to produce a coordinated Community ranking. (S)

REMINDER: Because of conflicting schedules, we have had to change the meeting time on 16 July to 1530 hours, vice 1030 hours. (U)
